Terms of Service

Last updated: 2026-10-14

These Terms govern the use of **viup** (“the App”), a personal software tool operated by a single individual (the “Operator”) to create original animated videos and publish them to the Operator’s own accounts.

1. Agreement to platform terms

By using viup, you agree to be bound by the **YouTube Terms of Service**. You also agree to the Google Privacy Policy, the TikTok Terms of Service, and the terms of any other platform viup connects to. viup uses YouTube API Services.

2. Who may use viup

viup is not offered to the public. It is used only by the Operator, and connects only to accounts the Operator owns or is authorized to manage.

3. Content

- All videos are original works: the characters, artwork and animation are created for the channel. Scripts are produced with AI assistance and checked automatically before publishing.
- Content must comply with each platform’s Community Guidelines and policies, including disclosure of AI-generated or altered content.
- The Operator is solely responsible for all content published through viup.

4. Privacy

Use of viup is also subject to our Privacy Policy.

5. Disclaimer

viup is provided “as is”, without warranties of any kind. Videos are for entertainment and general education and are not professional advice.

6. Changes

These Terms may be updated. Changes are published on this page with a new “Last updated” date.
